The Beacon Flock of British Berrichon Sheep

The flock was established in 2019 with the purchase of in lamb shearling ewes and ewe lambs from the well known “Inclledon” flock of John & Jean Yeo in North Devon.

These have provided a broad range of bloodlines onto which we have used selected stock rams to produce well grown, strong conformation sires for the commercial and pedigree market.

Inkerman Flock

The Inkerman Flock was founded in 1992 with the purchase of several ewes from four flocks which formed some of the key foundation flocks of the British Berrichon breed in the UK, these four flocks have since been dispersed. Over the past 30 years with the exception of two ewe lambs imported from France in 2004, no other females have been brought in.

Our policy has been to breed a flock to type, which retains the attributes and origins of the breed, with the stock being correct and which will thrive in a commercially managed system. Our stock has formed the foundation of several current UK flocks and the HMS prefix can be found in the bloodlines of many UK pedigree flocks.

Stock sires used have included five imported from France to include a Paris Show Champion, several from other leading UK flocks and our own retained stock.

Showing has never been at the top of our agenda but we have had reasonable success at the Royal Welsh and Three Counties and championships at Burwarton and Monmouth, Breed Champion at Bulth Main Ram Sale and it was all Inkerman ram that was sold for 1600gns, highest priced Berrichon to be sold at public auction at the time. This ram went on to be very successful in the Newark Flock and Mrs Barbour thought a great deal of him.

JANOS FLOCK REDUCTION

Bryan and Jano have come to the decision to have a major reduction of the JANOS Flock this year and are offering ten flock ewes at Worcester, Carlisle and the Welshpool In-Lamb Sales. In addition, the best shearing ewes and ewe lambs will be on offer here today and at Carlisle at the end of August.

The JANOS Flock was established in 2013 by purchasing two ewe lambs from the Welshpool In-Lamb sale from the Thomas family. Those lambs and their offspring went on to breed successfully resulting in overall championships and female championships in several shows including the Royal Welsh, Three Counties and the Royal Highland Shows. We have also had numerous championships at Society sales at Carlisle, Worcester, NSA II and Welshpool.

TooLoos Flock

The TooLoos flock are a well established flock, we take pride in following good bloodlines and has paid off this year having the best crop of lamb we've ever produced. Our stock ram Yarbrough Wolfgang was a real cracker from the start, a natural peeler with great depth, stretch and power. Sired by the top priced Carlisle ram Yarbrough Sampson. All our animals have been boloused, Heptivaced and on a regular worming programme. Animals sold from this sale in the past have gone on and done well in the show ring for their new breeders.
