## Rakefoot flock

The Rakefoot flock was established in 1991 making it one of the oldest flocks in the UK. The flock was started with the aim to produce rams we can use ourselves on the bottom end of our Swaledale flock. This is still very much the aim today with over 300 swales ewes being tuppied with the Berrichon at Rakefoot.

Based just outside of Keswick we are a lake district hill farm where stock need to be hardy and have the ability to thrive on not much.

This years entry is the first son of our Newark ram we bought out of Carlisle. He goes back to a gimmer we sold to the Marshlands flock in 2015 for 1400gns. The lamb has been scrapie tested and is an ARR/ARR (type 1).

Pictured is last years entry Rakefoot Zizou who was res champion.

# Newark Flock

One of the oldest flocks in the country established 1991.

A busy Spring & Summer starting at NSA Scotsheep, Aitkengall Farm, Dunbar, East Lothian, with the British Berrichon Sheep Society Stand, with four pens of ewes, gimmers & hogs all with Newark sired Berrichon lambs at foot. Showcasing just exactly what a Berrichon terminal sire produces on various types of commercial females. Length, muscle, tight skins, exceptionally fast growing finishing lambs fit for the commercial market.
